

CREOL, The College of Optics and Photonics

PHOTONICS GRADUATE EXPO

Friday, October 25, 2024

UCF

Earn your graduate degree in optics and photonics

Register to attend the CREOL Expo by visiting <https://bit.ly/GradExpoFall24> or scan QR code

Minimum qualifications to attend: 3.2 GPA and a degree in Engineering, Photonics, or a related discipline

- Meet Faculty
- Engage with Students & Alumni
- Network with Industry Leaders
- Explore Labs & Facilities

Learn about our research in:

- Ultrafast Lasers
- Fiber Optics
- Displays
- Biomedical Research
- And more!

**Master's
Online Master's
Doctorate
Certificate Programs**

Through strong industry partnerships, our graduates become highly sought after by innovative companies like Apple, Microsoft, Google, Facebook, Northrop Grumman, Lockheed Martin, Harris Corporation and many more.
