

CREOL, The College of Optics and Photonics

Restricted Registration Contract OSE 6971 - Master's Thesis Hours

Credit Hours	Term	Year	Expected Thesis Completion Date

Students enrolled in master's thesis hours are required to work toward the completion of their thesis as directed by their advisor. Students are expected to regularly report on work via oral communications with their research advisor. They will be graded on an S/U scale based on an oral end of semester report to their advisor, except in the final semester of thesis hours when they will be graded based upon the thesis and defense. Additional reporting and other requirements agreed to by the student and advisor may be added in section A below.

Section A. Other Requirements:

Advisor Name (**print**)

Advisor Signature

Date

Acknowledgement:

I agree to the terms above and/or attached to this form for completion of this restricted enrollment. I understand that it is my responsibility to ensure that my overall enrollment for the semester is correct. I accept responsibility for turning in this form on time or I will be charged a \$100 late enrollment fee.
